Replaced Techniques course “Leading Successful Meetings”

Development Dimensions International (DDI) asked 4,559 leaders and 944 human resources representatives in 42 countries to estimate the impact that strong talent management and development processes had on some key business measures.¹ Those companies with strong talent processes outpace their competitors significantly. The graphic shows this impact. > > > >

ECC has formed a partnership with DDI to bring you world-class online training for leaders. This content and delivery are flexible, so you get a customized response to meet the needs of your organization.
